Dear Parent/Carer,

As you will be aware, we have had to make the difficult decision to close the Year 10 bubble from Tuesday 24th November until Monday 7th December. To ensure that students are able to continue their learning and not miss out on any education the Academy staff will be “live teaching” using TEAMS and following the normal year 10 timetable. Attached to this letter is the overview of the Year 10 academy timetable which your child will be following.

If your child does not have access to a device or the internet then please get in contact with the Academy as soon as possible and we will attempt to provide this for you. Work packs will also be provided for year 10 students whilst this provision is being sourced.

If you are in receipt of free school meals, vouchers will be emailed or posted out to you to cover the cost of these meals for the full two weeks.

How does my child access TEAMS?

Your child will need to logon to the school portal using the address gat.airhead.io. The login details have been shared with them at school. They will then be invited to join their live lesson from the member of staff which they would normally have.

What if they do not know their password/login details

If your child has forgotten their login details or password then you will need to contact the relevant member of staff from the contact list below.

What if my child does not have access to the internet/device?

Please contact the academy as soon as possible. If we are able to support with this then we will but can also provide work packs for students to complete.

Does my child have to follow the school timetable?

Staff will be setting work for all students on TEAMS but will also be delivering to them live. This will not be recorded and therefore the only expert instruction students will receive will be from the member of staff in their allotted time. The timetable for year 10 has been attached to this letter.

KINDNESS

RESILIENCE

GREATNESS

What if I do not feel comfortable with my child being on camera whilst at home?

Students will not be required to be on video and will be muted unless they need to ask a question. Students will be reminded to turn off their video function at the start of the lesson.

Are there any changes to expectations for students who are participating in live lessons?

We will have the same expectations for our live lesson delivery as we do in school. This includes students following the *Six Learning Habits* and using STEPS when speaking to others. Students who behave inappropriately or engage in misuse of the remote learning platform will be sanctioned accordingly using the school's behaviour policy, in line with the amendments made due to COVID (see website for more details).

Who do we contact if we are having issues?

Please contact one of the following:

Mrs Iwanejko (Deputy Head of Year 10): ciwanejko@thewellacademy.org

Mrs Boag (KS4 Pastoral Leader): lboag@thewellsacademy.org

Ms Keeling (Senior Leader – KS4): tkeeling@thewellsacademy.org

Or alternatively contact the Academy on 0115 748 3390.

I appreciate that being out of school can be a difficult and challenging time and we have done everything we can to avoid this. However, we hope that by offering the curriculum online we will ensure that learning can continue.

Thank you for your ongoing support during these unprecedented times.

Kind regards,

Mr Shepherd
Proud to be Principal of The Wells Academy
