

7th April 2025

Dear Families

Run up to exams

Firstly, I would like to take a moment to celebrate the fantastic effort our Year 11s have put in throughout the year and especially during our recent Achievement Week. They have been brilliant! I also wanted to share with you some key information in the lead up to the examinations.

Intervention

During the Easter break we have put together a full schedule of intervention sessions that students are encouraged to attend. Our expert teachers are working just as hard as our students and we hope many Year 11 students will join us on this final push for excellence. The timetable for this has been given to every Year 11 student and has also been placed on our website. We hope students can get the balance between rest and work right over this break!

Exam timetables

Students have now been given their exam timetable which will let them know which exams they have. Please make sure they have reviewed their tiers and checked that they have been entered for every subject that they are studying. If there are any issues please ask them to come and speak to me directly. Please also be aware that exams can be rescheduled so students must be available up to and including June 25th.

Mock exam results

Finally, students have been given a copy of their latest PPE (mock) exam results and predictions on one sheet for their reference. If you wish to see this please ask them. If they are unable to produce it, please contact the academy and we can share this with you.

I will be in contact again just before exams start with a few more details but for now I wish you and all of Year 11 a great Easter break.

Yours sincerely

Mr A Lawlor
Senior Assistant Principal (Progress)
