28.01.21

Dear Parent/Guardian,

I wanted to write to you to provide an update on the remote provision your child can expect to receive. We are aware that the current circumstances nationally are difficult and want to thank you for your support in engaging with the remote learning provided by our teachers.

We are absolutely committed to ensuring that during these difficult circumstances we provide all our students a quality remote provision to ensure that when we return to face-to-face teaching students can continue with their educational journey at Wells with as minimum disruption as possible. To help support this we are looking to provide students with increased feedback on the learning they have undertaken over the remote learning environment.

To enable students to receive regular feedback on the knowledge they have covered and skills they have developed we are using the Microsoft Forms platform to deliver assessment questions each week to students. Every week students will receive a link for each subject they study which will take them to either a knowledge assessment for that subject or an extended writing question for that subject. These will be available to students every Monday in their year groups teams and must be completed by 9am the following Monday. For student guidance on how to access these links please see the attached instructions below.

This information is an invaluable tool for our teachers to support their planning of online lessons and will also support our planning for the return to face to face teaching. To support us with the completion of remote learning assessments please can I ask that you:

- 1) Read the attach guide on how to access the assessment links for each year group.
- 2) Speak to your child and ensure that they know how to access the link.
- 3) Encourage your child to complete the assessments each week for the subjects they study.
- 4) Check with your child each Monday that they have completed the previous weeks assessments and can access the next weeks assessment.

Currently assessments are available for Year 7 and Year 11 pupils, as of Monday 1<sup>st</sup> February these will be available each week for every student.

Yours Sincerely,

Mr Shepherd

Proud to be Principal of The Wells Academy
