

7th July 2025

Dear Families

Thank a Teacher at The Wells Academy

As we approach the end of term, I wanted to take a moment to express my thanks to you for your ongoing support this year. We have made massive strides forward together and we are all incredibly proud of the journey our academy is on. None of this progress would be possible without your support and encouragement so thank you.

You may be aware that our students have recently taken part in a special activity focused on gratitude. As part of this, they wrote postcards of appreciation to members of staff. The kind words, reflections and genuine thanks meant so much to everyone who received one.

It reminded me just how fortunate we are to have such a dedicated, passionate and caring team of staff here at Wells. I know you will agree that they have gone above and beyond this year, from running extra revision sessions to supporting our Year 11s during their exams, to offering a wide range of clubs and wider opportunities to engage students after school.

Thanks to their incredible commitment and your support, we've seen record breaking attendance, outstanding teaching across classrooms and we're predicting the strongest set of exam results that the academy has ever had this summer.

As a small but meaningful surprise for our amazing staff, I would love to share some words of gratitude from you, our students' families, on the final day of term (Friday 25th July 2025). If you'd like to contribute, please use the form below to leave a message for an individual staff member or for the team as a whole. Even a single sentence can make a big impact.

Thank you in advance for helping us end the term on such a positive and uplifting note. I'll be in touch soon with details about arrangements for the start of the new academic year.

Yours sincerely

Mr G Coles
Principal
