May 2021

Dear Parent/Carer,

Throughout the pandemic we have been appreciative of the support of parents and carers in keeping everyone in our community safe.

Following the latest government guidelines and the recent confirmation of step 3 in the national COVID roadmap, the following changes are going to take effect from **Monday 17th May**:

Students will no longer be required to wear face masks in classrooms or communal indoor areas, including corridors, however, if any student feels more comfortable in doing so, they may.

Students are encouraged to carry a face mask in their bag as they will still be required on public transport, in shops and leisure facilities.

Students and staff are still required to exercise social distancing measure within school, ventilation in indoor spaces will be maintained as will regular hand washing/ sanitising as students enter and leave school and before each class.

COVID 19 home testing for staff and students will continue as before. Please ensure tests are undertaken on Sunday and Wednesday evenings. Testing kits will continue to be distributed every few weeks and will continue in Summer term. Please only report positive tests to school by phoning 0115 748 3309 or emailing adminr@thewellsacademy.org, negative and void tests should be reported online www.gov.uk/report-covid19-result.

For more information, please check the Gov.uk website: <https://www.gov.uk/coronavirus>

Thank you again for your support.

Yours sincerely

Mr Shepherd
Proud to be Principal of The Wells Academy
