

20th March 2026

Dear Families

New academy skirts

Recently, one of our students requested a longer version of our academy skirt, which we arranged to have made as a prototype (please see the image below). Since then, several students have expressed that they would welcome the option of wearing a longer skirt to the academy.

As a result, we are now exploring the possibility of making a longer skirt available as part of our academy uniform from September 2026. Before moving forward, we would like to gauge interest from families to see whether other students may also wish to have this option. If there is sufficient interest, the skirt would be available to purchase ahead of the new academic year in September.

If this is something your child would be interested in, please would you send a short email to Mrs Augustus, our Cultural Lead, by **Friday 1st May**, so that we can review numbers. Her email address is maugustus@thewellsacademy.org

Yours sincerely

Mr G Coles
Principal
