Dear Parent/Guardian,

As your child is at the start of Year 11 I wanted to take the opportunity to write to you to invite you into the Wells Academy on **Thursday 30th September 5.30pm to 6.30pm for an Engaging Parents/Guardians meeting.**

This year is crucial for all our Year 11 students, and a fundamental step in their journey towards post-16 destinations and we wanted to take the opportunity to meet with you to discuss the plans for 2021-22 GCSE and vocational assessments at the Wells Academy.

It is expected that this year we will see a move back to a more normal assessment process for GCSE and vocational subjects and we have put plans in place to support our year 11 students in preparation for these assessments. We have already spoken at length with the Year 11 students to outline these plans and the support we will provide for students, but wanted to take the opportunity to discuss these with Parents/Guardians. In this session we will provide you with information about the key dates during the year 11 preparation sequence. Further we wanted to provide you with information about the English, Mathematics and Science GCSE courses and we will also discuss what can be done from home to support students in their journey through year 11.

We value and appreciate the support you provide us as a school and are excited to invite you back into the school building. If you are interested in attending the Engaging Parents/Guardians evening, please arrive at the **main school reception from 5.15pm on Thursday 30th September**, we will start the evenings presentations at 5.30pm.

Once again, many thanks for your support,

Yours Sincerely,

Mr Shepherd
Proud to be Principal of The Wells Academy
