THE WELLS ACADEMY

INTEGRITY • RESILIENCE • AMBITION

11th November 2026

Dear Families

A Christmas Carol Film Showing

We are pleased to offer Year 11 students a valuable revision opportunity to support their preparation for GCSE English Literature.

On **Tuesday 17th November**, we will be showing an adaptation of A Christmas Carol after school from 3pm to 4.30pm. This session will provide students with an excellent opportunity to revisit the plot, characters and key themes of Dickens' novella in an engaging and accessible way.

Watching the film will help students to:

- Strengthen their understanding of the storyline and sequence of events.
- Develop their knowledge of key characters and their development.
- Reinforce important themes and messages explored in the text.
- Build confidence ahead of their GCSE English Literature assessments.

Students are encouraged to attend as they would benefit from revisiting the text and consolidating their understanding. The session will be supervised by members of the English faculty.

If your child would like to attend, please ensure they can make arrangements for their journey home following the event.

Thank you for your continued support.

Yours sincerely

Miss M Khan
Teacher of English
