26<sup>th</sup> March 2024

Dear Families

## Year 11 Easter Intervention

To support students as we approach the summer examinations, we have put on a series of intervention sessions to take place over the Easter break.

The sessions comprise a range of subjects and include invite only, where students will be identified by their teachers and sign up sessions, where any students may sign up to receive a place on a first come, first served basis. Students should only sign up if they intend to come as spaces are limited.
