Dear Parent/Carer

Year 10 options

I am writing to make you aware of the options process which will take place for your child moving from Year 9 to Year 10. At The Wells Academy our purpose is to ensure that all of our pupils can go on in their careers and lives to “Achieve Greatness”. It is for this reason that we want to ensure that all pupils study a high quality and broad curriculum. As part of this curriculum offer we provide pupils with options to support them to make the right choices for their future career aspirations. The table below shows the curriculum for Year 10 pupils:

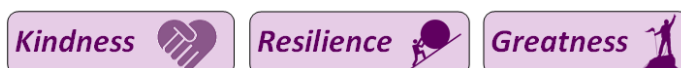

Subject	Number of hours per week	Subject	Number of hours per week
English	4	PE	2
Mathematics	4	Option 1	3
Science	5	Option 2	3
Ebacc option*	2	Total	25
MFL/Enterprise*	2		

* Option already chosen in year 9.

Pupils have already started two GCSE’s in Year 9 and will now be required to choose their final two options for Year 10. Pupils will need to state their first preference and second preference for an option in each block. Pupils may be given their second preference if the subject which is their first preference does not run due to numbers.

A booklet which gives you important information about these options has been attached with the members of staff who are responsible for them. Your tutor will be contacting you over the coming weeks to ensure that you understand the process, what the subjects involve, and you are able to make the best choice possible.

Be Kind. Work Hard. Achieve Greatness.

Below are the choices you need to make and then share with your tutor.

Block 1 subjects	1 st preference	2 nd preference

If you have any questions or queries then please do speak to your tutor when they contact you on your welfare call or get in touch directly via email, facebook or Twitter.

I look forward to seeing you all soon.

Yours sincerely

Mr M Shepherd
Proud to be Principal of The Wells Academy Campus
